

## Boston Bruins, 2011 Stanley Cup Champions

Dear Angel,

Thank you so much for sharing your products, “Three Angels” with us this past season. I was able to use it on a number of our players throughout the year for various injuries.

I definitely feel that it helped reduce the severity and healing times of a multitude of ailments that our players suffered during the regular season and playoffs. I would recommend it to anyone who needs to reduce pain and inflammation. I will continue to keep it in our training room and use it as needed to keep our players healthy and pain free throughout the season.

Best of Health,

Don DelNegro MS, L-ATC, CSCS
